BUSINESS AND BEER

Prescott, January 13, 2011:

The Red George Pub is the venue for the Shakespeare Festival's Annual General Meeting on Thursday January 27th.

As an integral part of the Prescott community, all are welcome to come and grab a beer or glass of wine and celebrate the Festival's successful 2010 season.

This will also be the time the Festival honours its departing General Manager, Jessie De Vries as she moves onto pastures new.

"We hope that many of our volunteer, supporters and audience members will want to come and help give Jessie an amazing send-off", said Farthing, who will also be giving a preview of the new and exciting developments ahead for the Festival in 2011.
